

WE'RE BUILDING THE WORLD'S LARGEST HOCKEY PUCK IN SAINT PAUL

Join in our community effort to bring this iconic project to life

This winter, the international hockey community will gather in Saint Paul — and together, we have the chance to welcome them with something unforgettable: **the world's largest hockey puck**.

Created for the 2026 World Junior Championships, the puck will anchor Fan Fest for 11 days as a photo-op for fans during the tournament. It's a story only Saint Paul can tell ~ and one that's better when the whole community helps build it. We're inviting local businesses, neighbors, families, and hockey lovers to chip in at friendly, accessible levels to help bring this playful, iconic landmark to life.

Why Donate?

Your contribution will help us:

- Spotlight Saint Paul during a global hockey event
- Create a fun, shareable experience for fans and families
- Build community pride through a collective project

Suggested Giving Levels

- | | |
|-----------------------------|--|
| • Play Maker: \$100 | • Player of the Game: \$1,000 |
| • Big Assist: \$250 | • State of Hockey Champion: \$2,500 |
| • Goal Scorer: \$500 | • Local Legend: \$5,000 |

Every contribution, no matter the size, makes a difference. Join local businesses, families, neighbors, and hockey fans in supporting this exciting project!

Join the Effort!

Give what you can and be part of Saint Paul hockey history!
